

North Crawley Neighbourhood Plan Key Criteria

After studying the responses to The Neighbourhood Plan Questionnaire and analyzing the Housing Needs Assessment prepared by our consultant, your Steering Group make the following proposals:

- The maximum number of properties to be built in North Crawley Parish over the next 15 years shall be circa 30
- Developments should be small in small clusters of homes within easy walking distance of the village amenities
- The mix of housing should include 'Affordable Homes' (with consideration of how these homes can remain available for children of the village) 'Family Homes' and 'Retirement Homes'
- Any new development should enhance North Crawley community life
- Any new development must have minimal impact on village traffic, with particular consideration for the single-track roads
- New homes shall have off street parking
- New homes in the village will be expected to complement and contribute to the character of the area.
